NEEDED: A 4-LANE HICHWAY TO ELBA Former Governor James E. "Big Jim" Folsom has generally been ahead of his time. Many of those things he has advocated have come to pass years later. Four years ago, in the Governor's election, he advocated four-laning the highways between every county seat town. This is one of those things that is bound to come. Right now, we need it right here in Coffee County. It is pretty well set that U.S. 84 will eventually be fourlaned from Dothan to Enterprise. The Governor has promised that a contract for four-laning from the present end of the four-lane to the Wicksburg Wye will be let in April. The plans have already been approved for the route from Wicksburg on into Enterprise.

How fast this development will take is anyone's guess at the moment. However, it could be within two to three years. With the route approved, the next step is to acquire the right-of-way. When this is done, construction will come sooner. Dothan has been very insistent that the various roads into and out of Dothan be four-laned. This is good planning and our neighboring city has a right through population to expect such as being natural in this area. More population means more traffic which creates the need for more traffic

GOOD FRIDAY - THE CRUCIFIXION John 19:16-21 & Mark 15:33-39

From The Living Bible

Then Pilate gave Jesus to them to be crucified. So they had him at last, and he was taken out of the city, carrying his cross to the place known as "The Skull," in Hebrew, "Golgotha." There they crucified him and two others with him, one on either side, with Jesus between them. And Pilate posted a sign over him reading, "Jesus of Nazareth, the King of the Jews." The place where Jesus was crucified was near the city; and the signboard was written in Hebrew, Latin, and Greek, so that many people read it. Then the chief priests said to Pilate, "Change it from 'The King of the Jews' to 'HE SAID, I am King of the Jews'." About noon, darkness fell across the entire land, lasting until three o'clock that afternoon. Then Jesus called out with oud voice, "Eli, Eli, lama sabachthani?" ("My God, my God, why have you deserted me?") Some of the people standing there thought he was calling for the prophet Elijah. So one man ran and got a sponge and filled it with sour wine and held it up to him on a stick. "Let's see in Elijah will come and take him down!" he said. Then Jesus uttered another loud cry, and dismissed his spirit. And the curtain in the Temple was split apart from top to bottom. When the Roman officer standing beside his cross saw how he dismissed his spirit, he exclaimed, "Truly, this was the Son of God!" RELIGIOUS HERITAGE OF AMERICA WASHINGTON, D.C.
